Manage Reviews

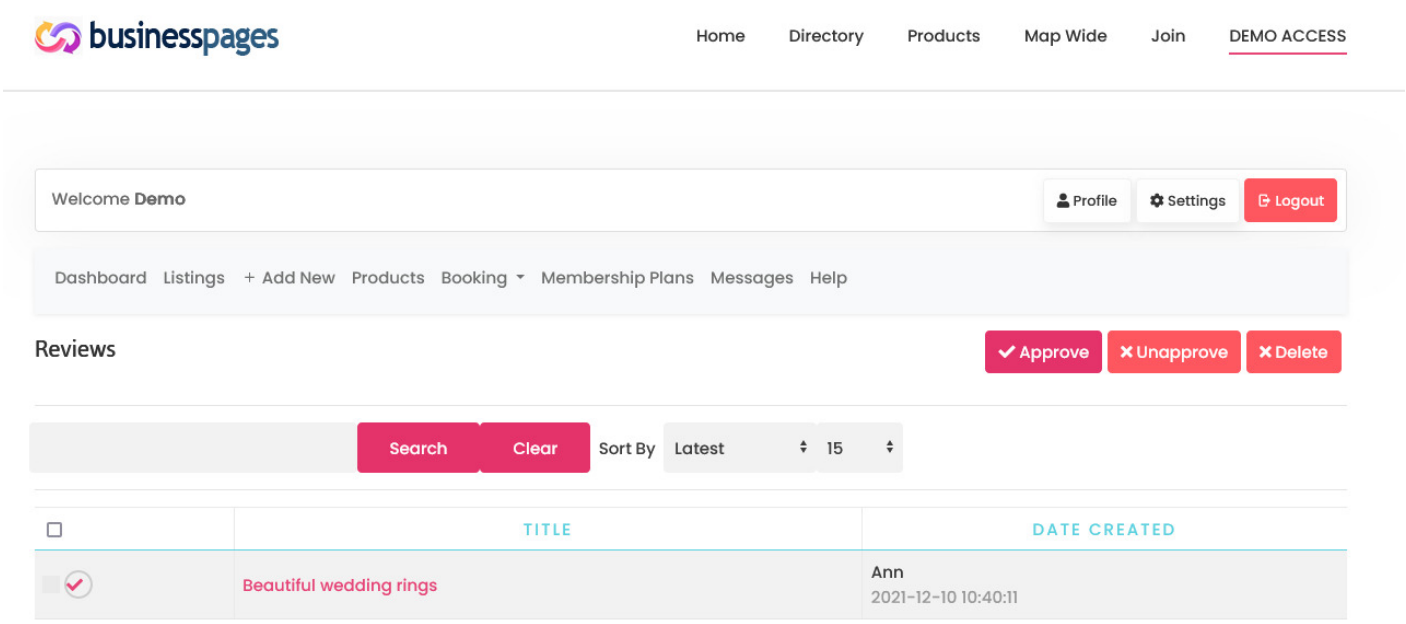

Overview

Users can provide reviews about the listing that can be viewed on the Listing page under the Reviews tab. This review will need to be approved by the owner of the listing before it can be seen under this tab.

Viewing Reviews

After logging into the Front Admin, click **Listings**. You can see the available listings. Each listing has an Image not found or type unknown icon that takes you to the Reviews page.

Screen 1: Reviews

Provide the options as seen in the following table.

Approve	Select the review you want to approve, and then click **Approve**.
Unapprove	Select the review you want to unapprove, and then click **Unapprove**.
Delete	Select the review you want to delete, and then click **Delete**.
Image not found or type unknown Publish Item	Click to publish the review.
Image not found or type unknown Unpublish Item	Click to unpublish the review.
