

Latest Items Module

Overview

This module helps you create the panel where latest listings are displayed. You can decide where to position the latest panel on the page and also control on which pages the panel should appear. To view all the available modules, click **Extension > Module Manager**. The modules available are listed as seen in the following image.

Screen 6: Module Manager listing

Editing the JomEstate Latest module

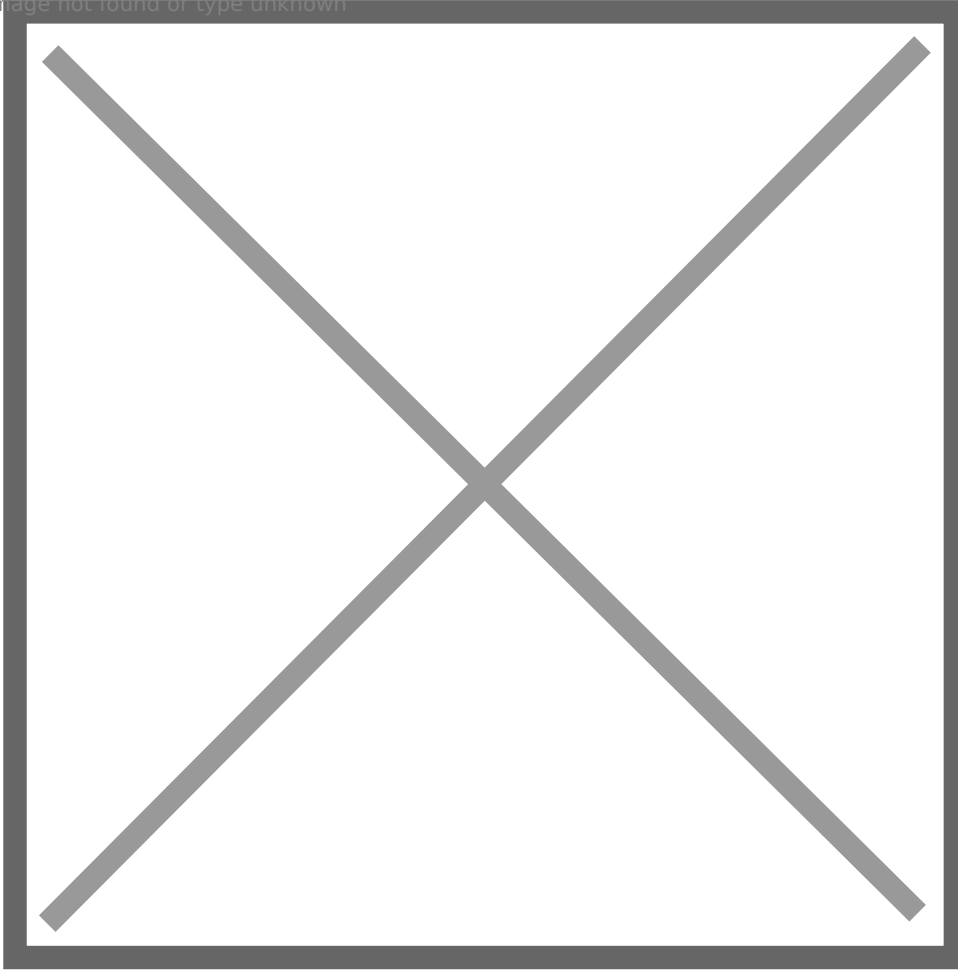

To edit the module, click on the module link or select the check box next to the module name, and then click **Edit**.

The following image shows the module edit screen.

Module tab

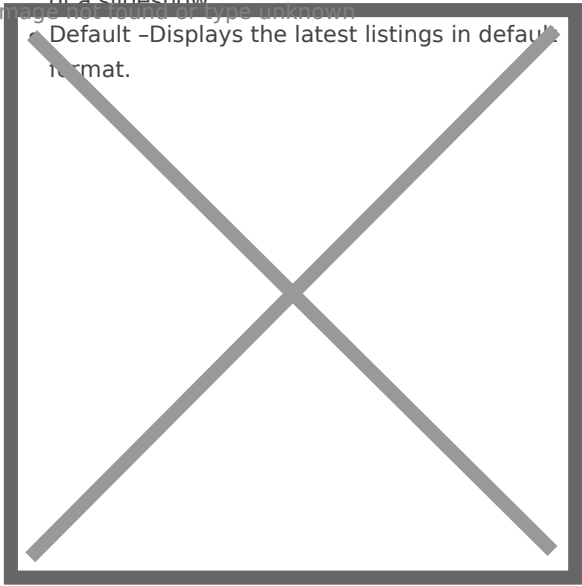

This tab controls the layout where the latest listings panel is to be displayed on the screen.

Image not found or type unknown

Language	Select the language for which you want to display this panel. For each language, you must create a new JomEstate Latest module.
Note	Provide additional information.

Menu Assignment tab

This tab controls where the module should be displayed. You can decide if it should be displayed on all pages for the site or just selective pages.

The screenshot shows a web application interface with a top navigation bar containing tabs: Module, Menu Assignment (active), Advanced, Template, and Permissions. The main content area is titled 'Menu Assignment' and is divided into two sections: 'Module Assignment' and 'Menu Selection'. In the 'Module Assignment' section, there is a dropdown menu currently set to 'Only on the pages selected'. The 'Menu Selection' section contains two groups of buttons: 'Assign to Menu Items' with 'All' and 'None' options, and 'Expand the Menu Subtrees' with 'All' and 'None' options. To the right of these buttons is a search input field with the placeholder text 'Search'. Below the buttons is a tree view under the heading 'Categories'. The tree has a root node 'Categories' which is expanded, showing several sub-items: 'Building and Constructions', 'Automotive and Transport', 'Programming and IT', 'Marketing and Advertising', 'Graphics and Multimedia', 'Home and Garden', 'Education and Research', 'Health and Beauty', and 'Food & Production'. Each item has a checkbox next to it. Below the 'Categories' section is another section titled 'Customer Service', which is also expanded, showing a sub-item 'Contact US' with a checkbox next to it.

Screen 9: Menu Assignment tab

Select the required menu for module assignment. The available options are:

- On all pages
- No pages
- Only on the pages selected
- On all pages except those selected
