

Manage Listings

Overview

You can view all the listings created for your site or create a new listing. The listings created let you add descriptions, images, provide ratings, and much more.

Creating a New Listing

The following image shows the Listings screen.

Image not found or type unknown

Screen 1: Listing screen

The following table explains the different options seen on the screen.

Button	Usage
Insert New	Creates a new listing entry. You must create separate entries for each level of depth that you need.
Publish	Publishes the created listing entry.
Unpublish	Removes the entry from the list of published entries.
Delete	Deletes the listing entry that is not required anymore.

Adding a new listing

To create a new listing, click **Add New** from the Dashboard Menu list. The new listing page is displayed.

New Listing tab

This tab provides options to add title, description, select category, and other options for the Listing as seen in the following image:

The following table shows the options available:

Area	Options	Usage
Edit Listing area	Title	Title for the Listing.
	Text Area	Provide a description for the listing.
	Short Description	Provide a short description for the listing.
	Article <i>Button</i>	Click to select a relevant article. If an article is provided, it can be seen under the Details tab in the listing. Buttons for the editor are available when enabled under Site Backadmin - > Plugins and WYSIWYG editor turned On in Joomla Configuration.
	Page Break <i>Button</i>	Insert a page break in the displayed text.
	Toggle editor <i>Button</i>	Toggle between plain text and rich text editor

Area	Options	Usage
	Read More Button	<p>Insert a separation for creating short description. Any content above the dotted line is displayed as the short description.</p> <p>In the above image, the red dotted line appears when you click Read More. Any content above the red line is the short description, while the entire content is the long description. Also, note that if there is no content after the Read More tag, the event description will be blank when users view the listing. Ensure that you have content after the Read More tag.</p>
	Status	<p>Select the required status.</p> <ul style="list-style-type: none"> • Published • Unpublished • Trashed • Archived
	Featured	<p>Enable to make the listing appear as featured listing.</p> <p>Feature Count is being checked when saving listing for the selected Membership Plan.</p>
	Language	<p>Select the language for which the listing needs to appear for. For multiple languages, you must create separate entries for each language.</p>
	Category	<p>Category where the listing will be published.</p>
Category Type	Category Type such as house, apartment and so on based on the category types for your site.	
Energy Class	Select the energy class for the listing.	
Address area	Address	Address of the listing
	Full address	Street and house number of the listing - If both Address and Full Address specified, map location will position automatically.
Location area	Maps latitude	<p>It utilizes the GEO-location based on Google Maps.</p> <p>Provide the latitude information for the location mapping.</p>

Area	Options	Usage
	Maps longitude	The information provided in this field is used to map the exact location. It utilizes the GEO-location based on Google Maps. Provide the longitude information for the location mapping.
	Maps Search	Search for a specific location. Type in the location and press Enter to go to the exact location.

For more information about how the location mapping is done in the listing, see [Listings](#) in the Administrative Guide.

Custom Fields area

This area includes all the custom fields created for a particular category. If the custom field is not applied to a specific category, it can be seen for all categories when creating a listing. The following image shows the Custom Fields tab screen.

For more information about creating custom fields, see [Custom Fields](#).

Price tab

This tab includes pricing information for the listing.

Image not found or type unknown

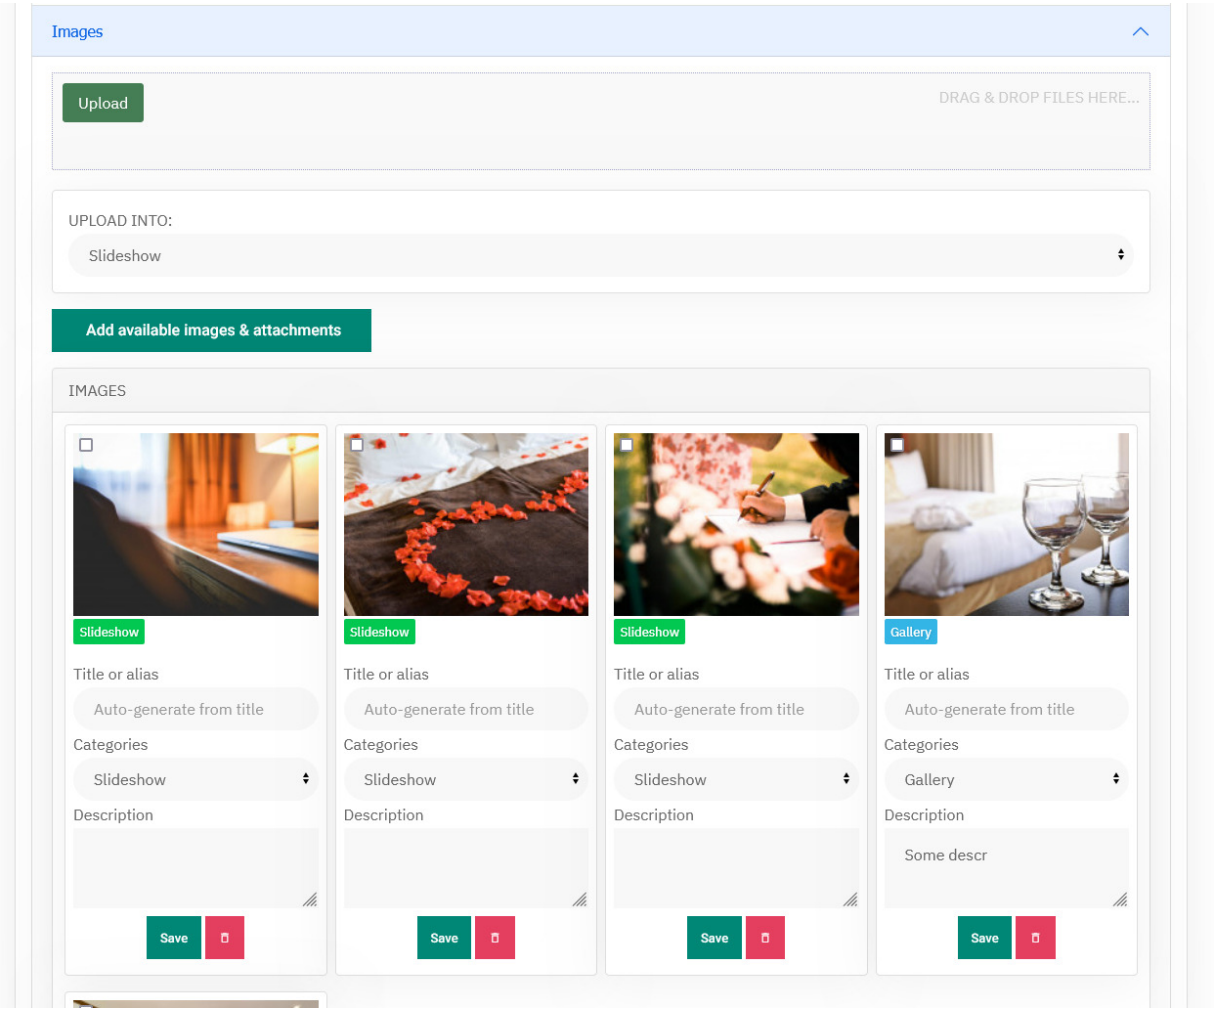

Screen 4: Price tab

Provide the options as given in the following table.

Add New	Click to add a new pricing item.
Price Netto	Provide a value.
