

# Manage Resource Bookings

## Overview

Each user that is logged in to the front admin can create listings. Whenever a guest makes a booking against the listing created by the user, the booking details can be seen by navigating to the Listings tab.

## Viewing the bookings

To view bookings against a listing, do the following:

1. From Front Admin, click the Listings tab.
2. Click the icon to view the resources associated with the listing
3. Click the icon from the resources listings as shown in the following image. All the resources that are available for that listing will be seen here. The bookings are made against each of the resource.

The screenshot shows the Front Admin interface. At the top, there's a welcome message 'Welcome demo' and navigation buttons: 'User Dashboard', 'Profile', 'Settings', and 'Logout'. Below this is a red navigation bar with links: 'Dashboard', 'Listings', '+ Add New', 'Membership Plans', 'My Bookings', 'Messages (0)', and 'Help'. The main section is titled 'Resources' and has action buttons: '+ Insert New', 'Publish', 'Unpublish', and 'Delete'. Below the title bar, there's a search and filter section with 'Search', 'Clear', 'Sort By Latest', and a count of '15'. The main table has columns: 'RESOURCE TITLE', 'NUMBER OF RESOURCES', 'MAX PERSONS', and 'BOOKINGS'. There are three rows of resources: 'Double or Twin Room', 'De Luxe King Room', and 'Master Bedroom'. Each row has a checkbox, a status icon (checkmark or trash), and a calendar icon in the 'BOOKINGS' column. A red arrow points to the calendar icon for the 'Double or Twin Room' resource.
