

# Latest Items Module

## Overview

Modules are extensions that assist in creating blocks of information on your site. They aggregate information from components and can be placed in predefined positions on the page based on your Joomla template.

## JomOffers Latest module

This module helps you create the panel where latest listings are displayed. You can decide where to position the latest panel on the page and also control on which pages the panel should appear. To view all the available modules, click **Extension > Module Manager**. The modules available are listed as seen in the following image.

## Editing the JomOffers Latest module

To edit the module, click on the module link or select the checkbox next to the module name, and then click **Edit**.

The following image shows the module edit screen.

### Module tab

This tab controls the layout where the latest listings panel is to be displayed on the screen.

<b>Ordering</b>	Provide the order in which the side panel should appear. If more than one module is positioned at the same location, you can set the order of appearance in this field.
<b>Language</b>	Select the language for which you want to display this panel. For each language, you must create a new JomOffers Latest module.
<b>Note</b>	Provide additional information.

## Menu Assignment tab

This tab controls where the module should be displayed. You can decide if it should be displayed on all pages for the site or just selective pages.

The screenshot shows the Joomla! administration interface for the 'Menu Assignment' tab. At the top, there are navigation tabs: 'Module', 'Menu Assignment' (active), 'Advanced', 'Template', and 'Permissions'. Below the tabs, the 'Menu Assignment' section is visible. It includes a 'Module Assignment' dropdown menu set to 'Only on the pages selected'. Under 'Menu Selection', there are two buttons: 'Assign to Menu Items' with 'All' and 'None' options, and 'Expand the Menu Subtrees' with 'All' and 'None' options. A search box is also present. The main area displays a tree view of menu categories and items. The 'Categories' section is expanded, showing a list of categories with checkboxes: Building and Constructions, Automotive and Transport, Programming and IT, Marketing and Advertising, Graphics and Multimedia, Home and Garden, Education and Research, Health and Beauty, and Food & Production. The 'Customer Service' section is also expanded, showing a sub-item 'Contact US' with a checkbox.

## Screen 9: Menu Assignment tab

Select the required menu for module assignment. The available options are:

- On all pages
- No pages
- Only on the pages selected
- On all pages except those selected
